EDUCATION

Bachelor's of Science in Computer Science (BSCS), University of Arkansas
4.0 GPA

August 2019 - May 2022

WORK EXPERIENCE

Software Engineer at SupplyPike

February 2022 - Present

- Building Walmart On-Time In-Full one-click fine dispute and dispute details functionalities in React
- Matching Koa.js API routes and logic with data requirements from the frontend
- Assembling efficient data structures and speeding up MongoDB aggregations by as much as 95%
- Learning structure and routing of data workers and schedulers through TypeScript

Software Engineering Intern at Affirma Consulting

June 2020 - February 2022

- Implemented new custom monthly notification protocol in ASP.NET C# at the unique request of a customer
- Solved user-submitted bug reports via layered analysis of MySQL database
- Updated actionability processes using image generation libraries to meet new security/compliance standards
- Rebuilt verbatim-scanning R scripts for more intelligent sentiment detection

PROJECTS

Arkadia Retrocade Official Website

August 2021 - Present

- Developing visually 90's-esque yet functionally modern official website for a local beloved arcade
- Using vanilla HTML/CSS/JS with jQuery to create purposefully archaic, joke-filled site
- Creating Spring Boot API connected to a PostGreSQL database for keeping an up-to-date list of functioning cabinets

J.B. Hunt 24-Hour Hackathons

October 2019 - April 2022

- Placed first in Spring 2021 with an Android app that triggered a Nerf blaster on phone alarms via Python web server
- Placed third in Fall 2020 with a grocery-sharing webapp to combat store traffic during COVID pandemic using Vue.js
- Placed second in Spring 2020 with a tournament sorting/seeding algorithm integrated with an app and a website
- Placed fourth in Fall 2019 with an Arduino system that maintained a Spotify playlist across many devices over WiFi

HONORS AND AWARDS

First-Ranked Senior Scholar

May 2022

- Recognized with the highest form of undergraduate award for maintaining a 4.0 as an overall GPA across all coursework
- Completed all required coursework for a BSCS at the University of Arkansas
